### Highlights of the Week

Welcome back from spring break. The classroom has been bustling with excitement. The students came back eager to see their friends and tell about all of their vacation stories.

They are extremely happy to see new works added to our **practical life area**. This week they have enjoyed washing dishes (It is a skill that can be used at home to help out). If your child is coming home with white powder on their clothing it is because they have been working with flour sifting. " I feel like I'm making a cake"- Addison. We also introduced soap flake whisking. When they were asked if they ever seen a whisk before Young-Jae shouted out -"cake". Another skill that can be used at home (Maybe let your child help whisk eggs). We have also added a mortar and pestle for egg shell pounding.

In the **math area** we have been learning about counting with tally marks and counting by 5's. The students have been using their math skills to add how many boys and girls are in our classroom.

In the **sensorial area** we have added more geometric solids Triangular, pyramid, rectangular and prism, to our shelf .

#### Dr. Maria Montessori's Words:

*" The child has other powers than ours,  
and the creation he achieves is  
no small one; it is everything."*

#### Reminders:

- Tea with Mom **May 11th** at 8:45am to 9:30AM or 10:00AM to 10:45AM
- Detroit Zoo Field Trip **May 25th No regular school** on this day the whole school will be at the Zoo.
- Memorial Day May 28th **No School**
- May Day Mixer **May 29th**
- Music Program/Graduation **June 1st No PM Kids Club**

#### Home/School Connection

I have sent home our April Scholastic book order attached was a coupon for 1 free book with a purchase of \$5.00. ( remember with each order we earn free books for our classroom library.) Help.... We are in need of eggshells ( washed). We have been learning several skills to help us bake. Next week will make cookies.
