

Highlights of the Week

Thankfully, when we returned to school on Monday, all 5 butterflies had hatched. Early Monday morning's weather was beautiful, sunny, clear - perfect for releasing the butterflies. The children squealed with delight as they watched them flutter away!

The mammal we focused on in class is the horse. The parts of the horse are: head, ear, neck, body, mane, tail, hindlegs, forelegs, hoofs/hooves.

The children created "color wheels" by dropping drops of red, blue and yellow watercolor of different combinations on a control chart then absorbed with paper towel. This was a very popular work this week!

We had 2 birthday celebrations this week. On Monday, **Adrija Vatsa** and Tuesday, **Bo Chu**. Both took 4 "Walks Around the Sun". Happy 4th Year of Life, **Adrija** and **Bo**!

Dr. Maria Montessori's Words:

"Education cannot be effective unless it helps a child to open up himself to life."

Reminders:

Home/School Connection

WE ARE
THE BEST
AT WHAT WE DO!

Your Lilac teachers firmly believe we are indeed the best and ask that you take a few moments to partake in the Parent Satisfaction Survey (sent via email on **May 22) and express "YOUR" sentiment, *good, bad or indifferent!***

Please, pleeze, puhleeze participate!
