

### Highlights of the Week

On Tuesday, after our long weekend, we discussed the *real* reason there was no school on Monday. The children were reminded that although **Memorial Day** appears to be the official “kick-off to summer”, it actually is the day in which our country remembers men and women that have died fighting to protect our country.

The children have been practicing and putting on the finishing touches for their concert on Friday. Mr. Bryce and children have been working diligently preparing for this occasion and I’m sure very excited to share with you on Friday.

I would like to take this opportunity to congratulate our Kindergarten graduates: **Yasmin Malkawi, Aaliya Verma, Sebastian Villasenor.** They will be receiving their diplomas during the concert as well. **Congratulations and Job Well Done, graduates!**

#### Dr. Maria Montessori's Words:

“And so we discovered that education is not something which the teacher does, but that it is a natural process which develops spontaneously in the human being.”
