Highlights of the Week

The students have had a very busy productive week. They had so much fun outside with ACES (All Children Exercise simultaneously). There was an obstacle course for them to run but not before having a good stretch/work up. I'm not sure who had more fun the students or the teachers running around outside.

We had our Mother's Day Tea on Friday. The children were so excited to give their plant tea cup and saucer to their mom's. Thank you Moms/Grandmas for taking the time out of your busy schedule it really meant a lot to your child.

We also celebrated "Teacher Appreciation Day" this week. We received so many beautiful flowers, cards and sweets. Thank you so much!

In the classroom some of the students are started to read bigger books with more pages so they wanted to start saving their page. So they were able to create their very own book-mark.

Happy Mother's Day!!

Dr. Maria Montessori's Words:

*"A child's work is to create the man he will become.
An adult works to perfect the environment but a child
works to perfect himself."*

Home/School Connection

Please make sure if your child wears a skirt or dress that they wear shorts underneath it. (we sit criss, cross applesauce on line)

With the weather getting warmer we play outside a couple times a day. On those sunny days please apply sunscreen before coming to school.
