June 1, 2018

Highlights of the Week

Twinkle, Twinkle little star how I wonder what you are.... Well the children have all been practicing so hard to be stars in the spring concert. They are very excited and a little nervous about performing in front everyone. (Please take a moment to talk to your child about their performance and let them know how proud you are of them. I think that will ease their nerves a bit.)

It is hard to believe that June is here and it is our last month of school. Due to the extreme heat we have changed our morning routine. We have started going outside first thing in the morning before it gets too warm for the children. Then we return inside for our worktime.

Thank you for sending in flowers and helping out with our classroom garden. The students had a ball taking part in the whole process of planting their own flowers. (digging the dirt, placing the flower, covering it back up with dirt and water it) Our garden is looking very colorful hopefully we will attracted a few butterflies.

The students have also been working on their Father's Day surprise. I hope to see many Dads or father figures at our donuts with Dad day.

We have been talking about taking turns listening as someone is talking you. Knowing that is common courtesy to listen and wait for your turn to speak.

Dr. Maria Montessori's Words:

"The child can only develop by means of experience in his environment"

Reminders:

- Music Program/Graduation June 1st No PM Kids Club
- Third Marking period ends June 8th
- Family picnic at Boulan Park June 10th
- Donuts with dad June 11th
- Last Day of School June 13th half day Schools ends at 11:30AM

Home/School Connection

Please provide your child with a refillable water bottle daily. We will take it outside at recess to limit the back and forth of coming in for a sip of water.

Remember prior to coming to school apply sunscreen.

***For safety reasons sunglasses are not allowed!**
