

Highlights of the Week

Wow! It is hard to believe that this is the last newsletter for the year! This school year has flown by so fast and it is hard to believe that we are at the end of the school year. The students have started the count down for summer vacation. Some of the students have already started talking about where they will be visiting over summer. Other children are also talking about their Grandparents visiting. This week we have been continuing to review in each area and starting to wrap up.

Some of the students were talking about of their favorite times in the classroom.

Charlotte- I enjoy doing the 45 layout in the math area, Quinn- I love doing push pins

Addy- I like reading to the toddlers, Isabel- I like cutting paper, Lenox- I like doing everything, Ellie- I like pouring in practical life, Boaz- I like matching colors, Ava- I like doing sounds, Srivalli- I like playing with my friends, Parker- I like doing the calendar, Sharanya- I like hunting for bugs outside.

It has been a wonderful year in the Magnolia classroom, full of learning and growth and lots of fun. I would like to take this opportunity to Thank all of the parents for sharing your child with us this school year. We have enjoyed watching them all blossom and we will miss them.

Have a great summer!

Dr. Maria Montessori's Words:

*“Respect all the reasonable forms of activity in which the child engages
And try to understand them.”*

Home/School Connection

Remember summertime is not only about playing outside and playing in the pool lets not forget to keep learning. Make learning fun! You definitely don't want it become a battle between you and your child. Keep it fun and light by playing games.

Reminders:

- Third Marking period ends June 8th
- Family picnic at Boulan Park June 10th
- Donuts with dad June 11th
- Last Day of School June 13th half day Schools ends at 11:30AM

> Writing letters and numbers with side walk chalk

> Use what is free and close by . The library can be your best friend! Many library have summer reading programs going on.
