Highlights of the Week

May 25 is our Zoo field trip, no regular school on this day. In order to stay together as a group, we encourage you to wear our green schoolhouse shirt/or any green color shirt/top you already owned. This will help us identify our group easily. Please pack a brown bag lunch for your child, we will be eating lunch at the Zoo.

This week in each area we are working on the following:

Practical life: In care of environment children learned how to fill the bird feeder with birds food. They love to visit and watch birds coming to the feeder and eating food.

Science: In science we are learning about birds. Children learned the names of body parts of a bird (beak, tail, wings, head, feet and eyes.)

Sensorial: We are matching spring shapes. children also identifying objects belonging to the specific group.

Language: we are reading books about animals. Children are excited for zoo trip. In group discussion, we are talking about their favorite animals.

Match: This week we continued our studies about clock. we also practiced rote counting.

Cooking project: Children wanted to make birds nest. we did it in our cooking project. We cooked rice, put it in muffin cups and decorated it with sliced grapes. It was yum and fun. decorated it with grapes .
