

Schoolhouse Montessori Academy:

I would like to take this opportunity to introduce myself. My name is Kavi Antony Robert, I am married, and I have a beautiful family. My two girls are attending Troy Schools younger one is in 4th and the older one in 8th grade. I have been part of Schoolhouse Montessori Academy for the past 6 years. My education credentials are bachelor's degree in commerce and a master's degree in finance (MBA). Since my daughters were very young, I put aside my career in finance and choose to work part time at Schoolhouse.

Eventually, working at Schoolhouse changed my perspective in education. I enjoy what I do. I started as Assistant teacher and promoted to Para-Professional. I have work both in pre-primary and toddler classrooms. I had the opportunity to work with all experienced Montessori trained teachers. I have completed my Early Childhood Montessori Para-Professional Training and certified. I am a hard worker, and a mother myself I am an excellent Lead teacher/Caregiver and I now am happy to serve you all as the Student Services Coordinator.

Regards
Mrs. Robert
